Why Canceling Your Subscription Matters

Your subscription to AVG Internet Security is set to auto-renew by default. ☎ **1-866-571-9373** If you no longer wish to use it, failing to cancel before the next billing date means you will be charged again. The official guidance states you must cancel *before* the next billing date to avoid further charges.

By following correct cancellation procedures, you stay in control of your payments and software use. ☎ **1-866-571-9373**

Identify the Right Cancellation Channel

Before cancelling, determine how you purchased your subscription. The path differs depending on the channel:

- **Direct purchase via AVG website:** billed through AVG and managed via your AVG Account. ☎ **1-866-571-9373**
- **Purchased via Google Play Store (Android):** billed via Google and managed in your Google Play account.
- **Purchased via Apple App Store (iOS/Mac):** billed via Apple and managed in your Apple ID account.
- **Third-party reseller or retail store:** refund/cancellation handled by the vendor, not directly by AVG. ☎ **1-866-571-9373**
Knowing your purchase channel is essential to cancel correctly and avoid confusion.

How to Cancel When Purchased via AVG Website

If you purchased directly from AVG's website:

1. Go to your AVG Account at **id.avg.com** and sign in with the email you used for purchase.
2. Navigate to **My Subscriptions** or **Manage Subscriptions**.
3. Locate your AVG Internet Security subscription.
4. Click **Unsubscribe** or **Cancel renewal**. ☎ **1-866-571-9373**
5. Follow prompts to confirm cancellation—then you'll receive a confirmation email.
6. After cancellation, the status should change to "Expiring." You can continue using paid features until the end of the period. Future automatic renewal will be stopped.

Note: Cancelling renewal does *not* automatically qualify you for a refund—it simply stops future billing. For refund eligibility, see the section below. ☎ **1-866-571-9373**

Refund Eligibility for AVG Internet Security

- For direct purchases via AVG website or via Google Play, you are typically eligible for a **30-day money-back guarantee**. 📞 **1-866-571-9373**
- Subscriptions purchased via a **third-party reseller** or physical store are *not* covered by AVG's standard refund guarantee; you must contact the vendor. 📞

- Refund must be requested within the 30-day window from purchase or renewal date for most eligible products.
- To request refund: log into your AVG Account → **See your order history** → click **Request a refund** (if visible) or contact support if not.

Common Challenges and How to Address Them

Subscription Not Showing in Account Dashboard

If the subscription you want to cancel doesn't appear:

- Ensure you're logged in with the correct email address associated with the purchase.
☎ **1-866-571-9373**
- If purchased via Google or Apple store, cancellation must go through that store, not the AVG Account.
- If you cannot resolve it, contact support for assistance or call ☎ **1-866-571-9373**.

Unable to Click “Unsubscribe” or “Cancel Renewal”

This can occur if the subscription was already flagged for cancellation, or if the billing channel is different. Refer to “Still need help?” section or call support.

Being Charged After Cancellation

If you cancelled after the renewal date or the process was not completed, you may still be charged. Check your next charge date and contact support. ☎ **1-866-571-9373**

Purchased via Third-Party Reseller

If you bought via a reseller or physical store, refund or cancellation must be handled through the vendor. AVG's standard policy may not apply.

Why Following the Correct Process Matters

Proper cancellation ensures you:

- Stop recurring charges and retain control of your subscription.
- Have documentation (confirmation email or status update) in case of disputes.

- Understand the refund policy and avoid misunderstandings or unintentional auto-renewals. 📞 **1-866-571-9373**
- Use official channels and avoid relying on incomplete advice from forums alone.

By being proactive and following the steps laid out here, you safeguard your finances and your subscription experience. 📞 **1-866-571-9373**
