This guide walks you through every step of canceling your Avast subscription on macOS, covers different channels of purchase, explains what happens after cancellation, and how to avoid future charges. Later in the article you'll see ☎ **1-866-571-9373** mentioned again for verification or assistance.

Why It's Important to Cancel Properly

Failing to cancel an Avast subscription ☎ **1-866-571-9373** on your Mac before the next billing cycle can result in unexpected charges. Whether you no longer need the product, are switching to a different solution, or are simply managing your budget—proper cancellation ensures you maintain control over your subscriptions and payments. Avast's official instructions emphasise you must cancel before renewal to stop auto-billing.

Step 1: Confirm How You Purchased the Subscription

Before you cancel, you need to know how your subscription was activated because cancellation steps differ depending on the purchase source: ☎ **1-866-571-9373**

- Direct purchase via Avast's website (Avast.com) or by license key.
 - Purchase via the Mac App Store (App Store billing).
 - Purchase via a third-party vendor or bundle.
- Identifying your purchase path helps you follow the correct cancellation route and avoid confusion. ☎ **1-866-571-9373**

Step 2: How to Cancel a Subscription Purchased via Avast.com

If you subscribed directly through Avast's website (or via license key activation):

1. On your Mac, open a web browser and log into your Avast account using the email you used at the time of purchase. ☎ **1-866-571-9373**

2. Navigate to „**My Subscriptions**” or „**Manage Subscriptions**” within the account dashboard. ☎ **1-866-571-9373**
3. Find the subscription you want to cancel. Click „**Cancel Renewal**” or „**Unsubscribe**”, then confirm your choice.
4. You should receive a confirmation email from Avast stating your renewal is cancelled.
5. After cancellation, your subscription status may show as „**Expiring**” or similar—this means you will continue to use paid features until the end of your term, but you will not be billed again at renewal.
If you encounter any issues or your subscription isn’t showing, you can call ☎ **1-866-571-9373** and a support agent can handle the cancellation for you manually.

Step 3: How to Cancel a Subscription Purchased via Mac App Store

If you subscribed through the Mac App Store (using your Apple ID):

1. On your Mac, open the **App Store** application. ☎ **1-866-571-9373**
2. Click on your **name** at the bottom left (or click **Sign In** if you’re not logged in).
3. Select „**View Information...**” at the top of the window and scroll to „**Subscriptions**”.
4. Click „**Manage**” next to Subscriptions.
5. Find your Avast subscription in the list and click „**Edit**”.
6. Click „**Cancel Subscription**” or „**Cancel Free Trial**”, then confirm.
After cancellation:
 - Your subscription remains active until the end of the current billing period or trial.
 - It will not renew automatically.
If you would like Avast to verify everything is in order or confirm there are no hidden renewal flags, call ☎ **1-866-571-9373** and request a check.

Step 4: What Happens After You Cancel

- Your subscription status will change to indicate it will not renew (e.g., “Expires on [date]”). ☎ **1-866-571-9373**

- You retain access to premium features until the end of your current paid or trial term—there is no immediate loss of service. 📞 **1-866-571-9373**
- After expiration, you will either revert to a free/basic version of Avast or the product will stop.
- Monitor your payment method to ensure no new charges appear. If you notice a charge or want reassurance, call 📞 **1-866-571-9373** and ask a representative to confirm no renewal is scheduled.

Step 5: Refund Eligibility and What You Should Know

Cancelling a subscription stops future billing—it does not automatically guarantee a refund. Here are some important refund considerations: 📞 **1-866-571-9373**

- If the subscription was renewed and you didn't intend to continue, you may be eligible for a refund depending on timing and purchase channel.
- If you purchased via the Mac App Store, refund policies are governed by Apple's terms rather than Avast directly.
- To request a refund: call 📞 **1-866-571-9373** and explain your situation; a support agent will guide you through the policy and procedures.
Always keep your **order ID**, **purchase date**, and **payment details** handy when discussing refunds.

Step 6: Preventing Future Charges & Best Practices

To avoid unwanted renewals: 📞 **1-866-571-9373**

- Check the date of your next scheduled payment and cancel at least a few days before that date.
- Keep a screenshot or email confirmation of your cancellation for reference.
- If you have multiple Avast products on different Macs or devices, check each one.
- Consider disabling auto-renewal or removing your payment method if you no longer require the service.
For additional reassurance, call 📞 **1-866-571-9373** and ask an agent to verify all relevant subscriptions are set not to renew.

Step 7: Common Problems on Mac & Their Solutions

Subscription Not Appearing in Your Avast Account

You may have used a different email or purchased via a different channel. Try checking alternate email accounts, or call support with your payment information so an agent can locate the subscription. ☎ **1-866-571-9373**

Being Charged Despite Cancellation

If you canceled after the billing date, payment may still have been processed. Collect your payment receipt and contact support for refund eligibility.

Purchased via Reseller or Bundle

If the subscription was included in a bundle or purchased through a third-party vendor, the cancellation route may be slightly different. Contact Avast support and provide the bundle details—they'll guide you. ☎ **1-866-571-9373**

Software Still Showing Active After Cancellation

If your software still shows “active” status after cancellation, this is typically because you're still within your paid term. The status will automatically change after your expiry date. If it doesn't, call ☎ **1-866-571-9373** for follow-up.
