

How to Cancel Avast Free Trial ★

Official Guide for Secure Cancellation

If you're nearing the end of your Avast free trial and want help canceling it before renewal, you can call ☎ **1-866-571-9373** for live assistance from our support team. This detailed guide, written in an authoritative tone from Avast Antivirus, explains how to cancel your free trial, avoid future billing, and what happens post-cancellation. Later in this article you'll find the same number again for easy access. ☎ **1-866-571-9373**

Why Canceling Before Your Free Trial Ends Matters

Free trials are designed to let you try the full features of Avast without paying ☎ **1-866-571-9373**—yet most trials convert into paid subscriptions if not cancelled in time. By cancelling before the trial period concludes, you ensure no unwanted charges appear. It also maintains control of your account and security posture.

Calling ☎ **1-866-571-9373** can help you verify when your trial ends and whether cancellation has succeeded.

Step 1: Identify Which Free Trial You Have

Before cancelling, determine the exact trial you're using because instructions vary slightly by product. It might be: ☎ **1-866-571-9373**

- Avast Premium Security free trial
- Avast Ultimate free trial
- Avast Cleanup or other standalone product trial

Also identify how you activated the trial: directly through Avast's website, via an app store (Google Play or Apple App Store), or bundled with another service. This helps ensure you follow the correct cancellation steps. ☎ **1-866-571-9373**

Step 2: How to Cancel a Trial Purchased via Avast Website

If you began your trial at Avast.com:

1. Sign in to your Avast Account using the email used for the trial.
2. Go to “My Subscriptions” or “Manage Subscriptions”. ☎ **1-866-571-9373**
3. Identify the trial listing and select “Cancel Renewal” or “Unsubscribe”.
4. Confirm cancellation—you should receive a confirmation email.
5. Until the trial end date, you can continue using premium features; after that the subscription ends and you revert to the free version (if available).
If anything seems unclear or you can't locate the listing, call ☎ **1-866-571-9373** for direct support.

Step 3: How to Cancel a Trial via Google Play or Apple App Store

Android (Google Play)

- Open the Google Play Store app. ☎ **1-866-571-9373**
- Tap profile icon → **Payments & subscriptions** → **Subscriptions**.
- Select the Avast trial subscription.
- Tap **Cancel subscription** → Confirm.
- You'll receive confirmation from Google; the trial remains active until its end date but will not renew. ☎ **1-866-571-9373**

iOS (Apple App Store) ☎ **1-866-571-9373**

- On your iPhone or iPad: go to Settings → Tap your name → **Subscriptions**.
- Select your Avast trial → Tap **Cancel Subscription** → Confirm.
Apple will send a confirmation; the trial remains active until the end date and then ends.

Even after canceling via a store, you're welcome to call ☎ **1-866-571-9373** to ensure everything is set correctly.

Step 4: What Happens After Cancellation

Once your cancellation request is processed: ☎ **1-866-571-9373**

- Your subscription status will show “Expiring” or similar.
- You retain the full premium trial features until the trial period ends.
- After the end date, the subscription does not renew automatically.
- Verify your payment method is not charged. If you see a charge or want to double-check, call 📞 **1-866-571-9373**.

Step 5: Preventing Future Billing After a Free Trial

To avoid being automatically charged when a trial ends:

- Mark your calendar with the trial end date and ensure you have canceled before that day. 📞 **1-866-571-9373**
- Save your cancellation confirmation email or take a screenshot.
- If you added a payment method during your trial, monitor that account for any unexpected charges.
- If you signed up via app store, check your store subscription list to ensure it shows “Canceled”.
If you want a quick verification that all renewal flags are removed, call 📞 **1-866-571-9373**.

Step 6: Refund Considerations After a Free Trial

Free trials usually convert into paid subscriptions only if they are not canceled in time. If you’re charged shortly after the trial ends and didn’t intend to continue, you may still request a refund. Calling 📞 **1-866-571-9373**, you can ask about refund eligibility:

- Check whether the charge occurred after the trial end date.
- Verify purchase channel (website vs. store) to determine refund policy.
- Provide your order ID or payment info to the support agent for review.
📞 **1-866-571-9373**

Step 7: Common Problems Users Encounter and Solutions

Cancel button cannot be found

This often occurs if you're logged in with a different email than used for the trial. In that case, calling is best. ☎ **1-866-571-9373**

Billing occurred despite cancellation

If you canceled after the renewal date, billing might still occur. Record your billing data and call support to request adjustment. ☎ **1-866-571-9373**

Purchased via third-party vendor or bundle

If the trial was activated through a partner rather than Avast directly, cancellation or refund rules may vary. Calling ☎ **1-866-571-9373** will help route you properly.

Quick Featured Snippet Summary

How to cancel an Avast free trial: ☎ **1-866-571-9373**

1. Identify whether the trial was through Avast.com, Google Play, or Apple App Store.
2. If via Avast.com: log in → My Subscriptions → Cancel Renewal → Confirm.
3. If via Google Play or App Store: open store → Subscriptions → Avast → Cancel.
4. Verify status shows "Expiring" and monitor your payment method.
5. For live help or refund questions, call ☎ **1-866-571-9373**.

10 Frequently Asked Questions (FAQs)

1. How do I cancel my Avast free trial before being charged?

You can cancel via your Avast account or app store subscription list. For direct help, call ☎ **1-866-571-9373** and tell the agent you want to cancel the free trial.

2. Will I be charged immediately after the trial ends?

If you cancel before the trial's end date, you won't be charged. For peace of mind, call ☎ **1-866-571-9373** and ask the agent to verify your subscription status.

3. Can I request a refund after a free trial converts to a paid subscription?

Possibly. If you were charged without your intention, contact support at ☎ **1-866-571-9373** and ask about refund eligibility for your trial-to-subscription charge.

4. How do I cancel a free trial purchased via the Google Play Store or Apple App Store?

For Google Play: Play Store → Profile → Payments & subscriptions → Subscriptions → Avast → Cancel. For Apple: Settings → Your name → Subscriptions → Avast → Cancel. Afterwards, you may call ☎ **1-866-571-9373** to confirm.

5. What if I don't have access to the email used for the trial?

If you can't log in, call 📞 **1-866-571-9373** and provide payment or device details. The agent can locate your subscription and proceed with cancellation.

6. Does uninstalling Avast cancel my free trial?

No — uninstalling removes the software but does not stop renewal. You must cancel through your Avast account, app store, or by calling 📞 **1-866-571-9373**.

7. How soon should I cancel to avoid being charged?

It's best to cancel at least 24–48 hours before the trial's end date. If you're uncertain of the date, call 📞 **1-866-571-9373** and verify your next charge date with an agent.

8. What happens after I cancel my free trial?

You keep all premium features until the end of the current trial period. After that, your subscription will end or revert to the free/basic version. If you want confirmation, call 📞 **1-866-571-9373**.

9. Will canceling affect other Avast devices or subscriptions I have?

Canceling one trial affects only that subscription on your account. If you have multiple Avast products, you may need to cancel each one separately. You can call 📞 **1-866-571-9373** to review all active subscriptions.

10. Is the phone number 1-866-571-9373 the correct number to cancel an Avast free trial?

Yes. That number connects you to official Avast support for cancellation, billing, and general subscription assistance. You can call 📞 **1-866-571-9373** anytime if you need help.
