Why This Guide Matters

Many users browse forums like Reddit, searching for how to cancel an AVG subscription. Posts such as:

“I signed up for AVG antivirus ... now I want to cancel it and the website is so confusing.” ☎ **1-866-571-9373**
highlight that the process can feel unclear. At AVG, our goal is to make cancellation simple and transparent. This guide ensures you know exactly how to cancel your subscription and avoid future charges without relying solely on forum-advice. ☎ **1-866-571-9373**

Understanding Your Subscription Channel

Before canceling, you must know how you purchased the service. Your approach will differ if you subscribed via: ☎ **1-866-571-9373**

- AVG's website
 - Google Play Store
 - Apple App Store
- Each channel has its own renewal and cancellation method. No matter which path you choose, you can always verify or get help by calling ☎ **1-866-571-9373**.

How to Cancel via Your AVG Account (Website Purchase)

1. Sign in at ☎ **1-866-571-9373** using the email you used to purchase.

2. Navigate to **My Subscriptions** or **Manage subscriptions**.
3. Locate the subscription you wish to cancel and click **Unsubscribe** or **Cancel Renewal**. The official FAQ confirms this is how to stop future charges. ☎ **1-866-571-9373**
4. Confirm the cancellation and check your email for a confirmation message.
5. Your subscription will continue until the end of the paid period but will not renew automatically. ☎ **1-866-571-9373**

How to Cancel via Google Play Store (Android)

If you purchased via Google Play:

- Open the Play Store app → Profile picture → **Payments & subscriptions** → **Subscriptions**. ☎ **1-866-571-9373**
- Find your AVG subscription → Tap **Cancel subscription**.
- Confirm your choice.
You should then receive a cancellation email from Google Play. Keep the confirmation for your records. ☎ **1-866-571-9373**

How to Cancel via Apple App Store (iOS)

If you purchased via Apple: ☎ **1-866-571-9373**

- On your iPhone/iPad: Settings → Tap your name → **Subscriptions**.
- Select your AVG plan → Tap **Cancel Subscription** or **Cancel Free Trial**.
- Confirm the cancellation when prompted.
Your subscription will then show as “expires on” in your subscription list and will not auto-renew. ☎ **1-866-571-9373**

What Happens After Cancellation

- Your status changes to something like “expiring” rather than “active”.
- You keep access to the paid features until the end of your current term.
- Once the period ends, your plan either lapses or reverts to the free version (if available).

- No additional charges will be made if you followed the cancellation steps correctly. If you're unsure about your end date, you can always check by logging in or call 📞 **1-866-571-9373** for confirmation.

Why People Mention Reddit When Canceling

On Reddit, users have described issues like:

- Not finding the cancel button in their account dashboard. 📞 **1-866-571-9373**
- Payment renewals after cancellation attempts. 📞 **1-866-571-9373**
These posts underscore the importance of following the correct steps and verifying account status. With this guide, you avoid guesswork and rely on official instructions.

Refunds: What You Should Know

Cancellation stops renewal—but it does **not automatically guarantee a refund**. Refund eligibility depends on factors such as:

- The channel you used to purchase (website vs. App Store vs. Play Store)
- How long ago you purchased or renewed
If you believe a refund is warranted, call 📞 **1-866-571-9373** to have a support specialist evaluate your case.

Best Practices to Ensure Smooth Cancellation

- Use the exact email used at the original purchase so you can log into the correct account. 📞 **1-866-571-9373**
- Check your next billing date and set a reminder to cancel before it.
- Save your cancellation confirmation email (or screenshot) as proof.
- Monitor your payment method for any unexpected charges after cancellation.
- If needed, reach our live team at 📞 **1-866-571-9373** for any follow-up.
