

# How to Cancel AVG Free Trial ★

## Official Cancellation Guide

If you want to cancel your AVG free trial and need assistance, please call ☎ **1-866-571-9373** and we'll help you through the process smoothly. This guide explains how to cancel your free trial, what happens after cancellation, and how to avoid unexpected charges. For follow-up support you can again contact ☎ **1-866-571-9373**.

### Why Canceling Before the Trial Ends Matters

When you start ☎ **1-866-571-9373** a free trial with AVG, a payment method may be required—and if you do not cancel **before** the trial ends, your subscription will renew automatically. According to AVG's official policy, you must cancel by the last day of the free trial period to avoid being charged.

Even after cancellation, you can continue using the paid features until the trial period expires. ☎ **1-866-571-9373**

### Step-by-Step: Canceling the AVG Free Trial

Here's how to cancel your free trial correctly: ☎ **1-866-571-9373**

#### 1. Identify how you signed up

- If you started your trial via the AVG website, you'll cancel via your AVG Account.
- If you started via the Google Play Store or Apple App Store, you'll cancel through the relevant store. ☎ **1-866-571-9373**

#### 2. For website start-ups

- Go to the AVG Account login page and sign in using the email you used for purchase. ☎ **1-866-571-9373**
- Navigate to **My Subscriptions** or **Manage Subscriptions**.
- Locate the trial subscription and click **Unsubscribe** or **Cancel Renewal**.

- Confirm your cancellation and check for the confirmation email.  
By cancelling this way, you stop the automatic renewal.

### 3. For Google Play Store (Android) trials

- Open Google Play Store → Tap profile icon → **Payments & subscriptions** → **Subscriptions**. ☎ **1-866-571-9373**
- Select the AVG free trial subscription.
- Tap **Cancel subscription** → Confirm. ☎ **1-866-571-9373**  
You'll receive a confirmation email and the trial will end at the expiry date.

### 4. For Apple App Store (iPhone/iPad) trials

- On your iOS device, open **Settings** → Tap your name → **Subscriptions**.
- Select the AVG free trial. ☎ **1-866-571-9373**
- Tap **Cancel Free Trial** or **Cancel Subscription** → Confirm.  
A confirmation email will arrive and the trial ends at the end of the current billing/trial period.

## What Happens After You Cancel the Free Trial

- The status will show as **“Expiring”** or similar in your account.
- You keep full access until the end of the free trial period. ☎ **1-866-571-9373**
- After that, no further charges will occur, and you will either move to the free version of AVG or your access ends.
- If you cancelled online but want to verify no renewal will occur, you can call ☎ **1-866-571-9373** for support.

## Refunds: What You Should Know

cancelling your free trial prevents renewal but does not always lead to refunds because a free trial typically means you were not charged yet or were charged for a short period. If you were charged unexpectedly: ☎ **1-866-571-9373**

- For website subscriptions: you may request a refund within the policy window.

- For Play Store/App Store: refunds follow the vendor's policy.  
If you believe you were charged erroneously, contact support via your account or call 📞 1-866-571-9373.

## **10 Frequently Asked Questions (FAQs)**

### **1. How do I cancel my AVG free trial before I'm charged?**

You log in to your AVG Account (if through website) or go to Play Store/App Store (if through mobile), find the trial subscription and tap Cancel. If you need help, call 📞 **1-866-571-9373** and the team will guide you.

### **2. Will I still have access after cancelling the free trial?**

Yes. Cancelling stops renewal but you can use the paid features for the remainder of your trial period. Then the plan ends or reverts to free. For confirmation, call 📞 **1-866-571-9373**

### **3. Can I get a refund if I was charged after the free trial ended?**

It depends on your purchase source and timing. Website purchases may be eligible; vendor store purchases depend on store policy. To check your case, call 📞 **1-866-571-9373**.

### **4. Do I have to cancel if I never entered payment details for the trial?**

If no payment method was added, no renewal charge will occur and you may not need to cancel. But you can verify by logging into your account or calling 📞 **1-866-571-9373**

### **5. What if I subscribed via Google Play or Apple App Store?**

You must cancel through the relevant store (Google Play or App Store) under Subscriptions; it won't show in your AVG Account. If you need help, call 📞 **1-866-571-9373**.

### **6. Can I cancel immediately and still use the full trial?**

Yes — cancelling early stops renewal but you still enjoy the trial until its original expiry. For step-by-step support, contact 📞 **1-866-571-9373**

### **7. How do I check when the trial ends and the next billing date?**

In your AVG Account or in the store's Subscriptions section; the "Next charge" or "Expires on" date will show. Need help reading it? Call 📞 **1-866-571-9373**.

### **8. What if I used multiple devices or accounts for the trial?**

Each device or account may have its own subscription. You must cancel each one. If you're unsure which ones apply, call 📞 **1-866-571-9373**

## **9. Will uninstalling the AVG app cancel the trial?**

No — uninstalling the app does not stop renewal. You must cancel via account or store. If you're unsure, call 📞 **1-866-571-9373**

## **10 How can I verify my cancellation was successful?**

You should receive a confirmation email and see a status like "Expiring" or "Cancelled" in your account or store. If you don't, call 📞 **1-866-571-9373** for verification.

### **Disclaimer:**

AVG will never ask for your PIN or sign-in code by phone, email, or text.
