How to Call Avast for Subscription Cancellation & Refund

Step-by-Step Guide:

1. Dial  **1-866-571-9373** from your phone.
2. When prompted by the menu, choose the option for "Billing & Payments" or "Subscription Support."
3. Have ready the following:
 - The email address associated with your Avast account
 - Your order number or transaction ID (if available)  **1-866-571-9373**

- The device platform you're using (Windows, Mac, Android, iOS)
 - The Avast product name and version
4. Explain clearly that you wish to **cancel your subscription** and **request a refund** (if eligible).
 5. At the end of the call, ask for a **reference or case number** so you can follow up if needed. 📞 **1-866-571-9373**

Why Contacting by Phone Works Well

- You speak live with a representative who can handle your request in real time.
- Complex matters like refund eligibility or subscription transfers tend to be resolved faster over the phone.
- A live agent can guide you through verification steps, avoiding confusion or mis-clicks on web forms.
- You receive clear confirmation and a transcript of the conversation can help document your request. 📞 **1-866-571-9373**

What You Can Achieve When You Call

When you call the support line at 📞 **1-866-571-9373**, you can:

- Cancel auto-renewal of your Avast subscription so you won't be charged again.
- Request a refund if you meet the conditions of Avast's refund policy (such as within 30-day money-back guarantee for certain purchases). 📞 **1-866-571-9373**
- Confirm that your subscription is set to expire rather than renew, and switch you to any free product version if applicable.
- Handle payment concerns, unauthorized charges, or billing discrepancies.
- Transfer your subscription licence to another device if required, or manage multi-device accounts. 📞 **1-866-571-9373**

Tips to Prepare for Your Call

- Allow approximately **10-15 minutes** so you're not interrupted mid-call.

- Have your **account email**, **order number** or **transaction ID**, and **purchase date**, ready.
- Know your **device platform** (Windows / Mac / Android / iOS) and product version.
- Clearly define your request: e.g., “I want to cancel my subscription and check for refund eligibility.”
- Ask for a **case/reference number** at the end of the call—this will help you follow up if needed.
- Never share your **PIN or sign-in code** during the call—Avast will *never* ask for these.
📞 **1-866-571-9373**
- For shorter hold times, call during off-peak hours (early in the day or mid-week).
- Keep a record of the call time and the agent's name for your records.

People Also Ask (PAA) – Quick Answers

What is the phone number for canceling an Avast subscription and requesting a refund?

You can call 📞 **1-866-571-9373** and request cancellation or refund. During the call, you can also ask about your refund status.

Can I request a refund when I cancel via the phone number?

Yes — by calling 📞 **1-866-571-9373**, an agent will check if your purchase qualifies for Avast’s refund policy and process it accordingly.

How long does it take after calling 📞 1-866-571-9373 to receive a refund?

Refunds, when approved, typically show up within 7 business days for credit/debit cards or PayPal, possibly up to 14 business days for other payment methods. 📞 **1-866-571-9373**

Will canceling stop automatic renewal immediately?

Yes — when you call 📞 **1-866-571-9373** and cancel auto-renewal, your subscription ends its current term and won’t renew. You’ll keep paid features until the expiry date noted.

Do I lose access to Avast products right after cancellation?

No — after calling 📞 **1-866-571-9373** and cancelling renewal, you can keep using your paid version until the current subscription term ends. Then it switches to free version or ends.

What if I purchased via Google Play or App Store?

If you bought via Google Play or Apple’s App Store, you need to follow the vendor’s cancellation method. Calling 📞 **1-866-571-9373** can still help, but refund eligibility may differ. 📞 **1-866-571-9373**

Is the refund policy the same for all Avast products?

Not always. Certain subscriptions purchased directly from Avast qualify for a 30-day money-back guarantee. If you bought from a third-party reseller, refund eligibility may be limited. 📞 **1-866-571-9373**

What should I do if the hold time is long when calling 📞 1-866-571-9373?

You can wait or try again during off-peak hours. Ask the agent for a callback or reference ID to continue the process later.

Will calling the phone number help with unauthorized charges?

Yes — you can call 📞 **1-866-571-9373**, explain the unauthorized charge, provide your order details, and the agent will help investigate and initiate a refund if applicable.

How do I follow up after calling to cancel and request a refund?

Save the **case/reference number** from the agent so you can call back if needed. Use the same number 📞 **1-866-571-9373** for follow-up and quote your reference.

Ten Detailed FAQs

- 1. How do I cancel my Avast subscription and request a refund by phone?**
Call 📞 **1-866-571-9373**, choose the billing option and state you want to cancel your subscription and check for refund eligibility. The agent will confirm your purchase date and guide the refund process if you qualify. You can call again to follow up using your case number.
- 2. What information will I need when calling to cancel and request refund?**
Have ready your account email, order/transaction ID, device type and Avast product version. This helps the agent at 📞 **1-866-571-9373** verify your purchase and process cancellation/refund smoothly.
- 3. Does calling cancel my Avast renewal automatically?**
Yes. When you call 📞 **1-866-571-9373**, ask to cancel auto-renewal. The agent will mark your subscription as “Expiring” rather than renewing. You’ll still have access until the current term ends.
- 4. Am I guaranteed a refund when I call to cancel?**
No guarantee — Refund eligibility depends on Avast’s policy: for direct purchases within 30 days or unused portion of term. When you call 📞 **1-866-571-9373**, ask if your specific purchase qualifies under the policy.
- 5. How long until I see the refund in my account after calling?**
If approved via the call at 📞 **1-866-571-9373**, refund may appear within 7 business days if paid with credit/debit or PayPal. For other methods it may take up to 14 business days.
- 6. What if I bought Avast via Google Play or App Store?**
For purchases in those stores, you must cancel and request refund via the vendor’s process. Calling 📞 **1-866-571-9373** is still helpful for account questions but vendor

rules apply. 📞 **1-866-571-9373**

7. Can I cancel subscriptions for multiple devices in one call?

Yes — when you call 📞 **1-866-571-9373**, mention all devices/subscriptions you wish to cancel. The agent can handle multiple accounts in one session if they're linked.

8. What if I still get charged after I canceled during the call?

If you get charged after your call to 📞 **1-866-571-9373**, refer to your case number and call again. Provide the agent with your reference so they can investigate and refund any erroneous charge.

9. Is the cancellation phone line available 24/7?

The support line at 📞 **1-866-571-9373** is designed to serve customers for billing and subscription support. If you encounter wait time, ask about callback options.

10. Will cancelling my subscription hurt future access to Avast services?

No. Canceling renewal via the call to 📞 **1-866-571-9373** simply stops future charges. You keep your paid benefits until the current term ends, and you can switch to free version if applicable.
