

How to Cancel AVG Subscription ♦

Official 2025 Guide for Easy Cancellation

If you wish to cancel your AVG plan or stop automatic renewal, the process is straightforward and secure. To get instant assistance, you can call ☎ **+1-866-571-9373** for personalized support from an AVG representative. You can also manage and cancel your plan directly through your AVG Account. Once the cancellation is completed, verify your account status again through ☎ **+1-866-571-9373** for complete peace of mind.

♦ Step 1: Cancel Through Your AVG Account

Cancelling directly through your AVG Account is the quickest and safest option.

1. Go to **id.avg.com** and sign in using the email address associated with your subscription. ☎ **+1-866-571-9373**
2. Click on **My Subscriptions**.
3. Choose the AVG product you wish to cancel.
4. Select **Unsubscribe** or **Cancel Subscription**.
5. Follow the confirmation prompts.

This stops automatic renewal at the next billing cycle. Once complete, you'll receive a confirmation email. If you have multiple AVG plans and are unsure which one is active, contact ☎ **+1-866-571-9373**. The AVG support team can verify your active licenses, ensure all unwanted renewals are canceled, and email confirmation of successful completion.

Always save your confirmation email or screenshot your cancellation screen for future records. If you don't see a confirmation within 24 hours, recheck with ☎ **+1-866-571-9373**.

♦ Step 2: Cancel AVG Subscription via Google Play or App Store

If your AVG subscription was purchased through **Google Play** or the **Apple App Store**, you'll need to cancel it through the same platform. AVG cannot directly manage payments made through third-party stores.

For Android (Google Play):

- Open the **Google Play Store**. 📞 **+1-866-571-9373**
- Tap your profile icon → *Payments & Subscriptions*.
- Go to *Subscriptions* → select your AVG plan.
- Tap **Cancel Subscription**, then confirm.

For iPhone/iPad (App Store):

- Open *Settings*.
- Tap *Apple ID* → *Subscriptions*.
- Choose your AVG plan. 📞 **+1-866-571-9373**
- Tap **Cancel Subscription**.

After completing these steps, your subscription will remain active until the end of your current billing period, after which it will not renew. If you experience issues locating your plan or cancellation link, contact AVG Support at 📞 **+1-866-571-9373**. The same 📞 **+1-866-571-9373** line can also confirm cancellation completion.

◆ **Step 3: Understand What Happens After Cancellation**

When you cancel your AVG subscription, your premium features remain active until your billing cycle ends. This ensures continued protection during the paid term. After the expiration date, your software reverts to the **free version** of AVG, which provides basic antivirus coverage without advanced features like real-time ransomware defense or web protection.

You won't be charged further after the cancellation takes effect. For double confirmation, call 📞 **+1-866-571-9373** and an AVG representative can check your account status. If you want to upgrade or reactivate later, the same 📞 **+1-866-571-9373** line can restore your plan immediately.

◆ **Step 4: Requesting a Refund (If Eligible)**

AVG offers a **30-day money-back guarantee** for most products purchased directly through its official website. If you're within that window, you can request a refund as follows:

1. Visit the official **AVG Refund Request** page.

2. Fill in your order number, billing email, and refund reason.
3. Submit the form and wait for a confirmation email. 📞 +1-866-571-9373

Refunds are usually processed within 5–7 business days. You'll be notified once your request is approved. If you purchased AVG through Google Play or Apple, refunds must be handled directly through those stores.

If you don't receive a confirmation or refund update, contact 📞 +1-866-571-9373. The billing team at 📞 +1-866-571-9373 can check your refund status, validate eligibility, or escalate your request to the finance department.

◆ Step 5: Troubleshooting Common Cancellation Issues

Sometimes, users experience technical or account issues when trying to cancel. Common causes include: 📞 +1-866-571-9373

- Logging in with the wrong email address.
- Using an expired or inactive AVG Account. 📞 +1-866-571-9373
- Having multiple licenses under different emails.
- Payments handled through third-party vendors.

To fix this:

- Verify your purchase confirmation email. 📞 +1-866-571-9373
- Log into AVG using the same email that received your order.
- If you still can't find the subscription, contact 📞 +1-866-571-9373

AVG's customer support team at 📞 +1-866-571-9373 can locate your order using your payment details, resolve access issues, and manually cancel your plan if needed.

◆ Step 6: How to Uninstall AVG After Cancelling

If you've cancelled and wish to remove AVG software completely from your device:

- **Windows:** Go to *Control Panel* → *Programs* → *Uninstall a Program* → *AVG Antivirus* → *Uninstall*. 📞 +1-866-571-9373

- **Mac:** Drag the AVG application to the Trash and empty it.
- **Android:** Tap and hold the AVG app icon → *Uninstall*.
- **iOS:** Hold the AVG icon → Tap *Remove App*. 📞 **+1-866-571-9373**

If you face uninstallation issues, call 📞 **+1-866-571-9373** Support staff can provide step-by-step assistance and ensure the process completes cleanly. For users who may reinstall later, 📞 **+1-866-571-9373** can also help reactivate your license when ready.

◆ Key Tips Before Cancelling

1. **Check Your Billing Date:** Cancelling before the renewal date avoids unnecessary charges.
2. **Avoid Uninstalling Before Cancelling:** Removing the software doesn't stop billing.
3. **Save Confirmation Emails:** Proof of cancellation helps with disputes.
4. **Use the Official Support Number:** Always call 📞 **+1-866-571-9373** for authentic AVG help.
5. **Stay Protected:** Consider switching to the free AVG Antivirus if you're not ready to go without protection.

◆ Why Customers Cancel AVG

- Switched to another antivirus provider.
- Duplicate billing or multiple devices not needed.
- Expired trial that auto-renewed.
- Temporary need for antivirus ended.
- Want to switch from premium to the free version.

Whatever your reason, AVG makes cancellation simple, transparent, and secure. If you're uncertain whether your subscription ended, call 📞 **+1-866-571-9373**. The same number ensures no recurring charges remain on file.
