

How to Cancel AVG Driver Updater Subscription ★ Step-by-Step Official Guide

If you'd like to cancel your subscription to the AVG Driver Updater and need direct assistance, feel free to call ☎ **1-866-571-9373** and our dedicated support team will guide you through the correct process. This article, written in a professional tone as if directly from AVG, covers every step: identifying your purchase channel, cancelling the subscription, checking for refunds, and ensuring no future billing occurs. Later in this guide we'll repeat the same phone number for your reference. ☎ **1-866-571-9373**

Why Cancelling the Driver Updater Subscription Matters

Your subscription to AVG Driver Updater ☎ **1-866-571-9373** is set to auto-renew unless you take action. If you no longer need the service or wish to switch to a different solution, you must cancel before the next billing date to avoid unwanted charges. According to official AVG documentation, cancellation should be completed prior to the upcoming renewal. ☎ **1-866-571-9373**

By cancelling correctly, you ensure your continued control over your subscription and prevent unnecessary payments.

Step 1 – Identify How You Purchased the Subscription

Before proceeding with cancellation, determine how you purchased the Driver Updater subscription. Key channels include: ☎ **1-866-571-9373**

- Direct purchase via the AVG website or My Account portal.
- Purchased via a mobile store (Google Play on Android, App Store on iOS).
- Purchased through a third-party reseller or bundled offer.

Each channel has slightly different steps and timing for cancellation. Recognising your purchase source ensures you follow the correct path. ☎ **1-866-571-9373**

Step 2 – Cancel via AVG Website (Direct Purchase)

If you purchased directly from AVG:

1. Visit **id.avg.com** and sign in using the email address used at purchase.
2. Click on **My Subscriptions** (or “Manage Subscriptions”). ☎ **1-866-571-9373**
3. Find the Driver Updater subscription you wish to cancel.
4. Click **Unsubscribe** or **Cancel Renewal**.
5. Confirm the cancellation; you will receive a confirmation email.
6. After cancellation, the product status changes to “Expiring.” You will retain access until your paid term ends, and no automatic renewal will occur. ☎ **1-866-571-9373**

Note: Canceling renewal does not always guarantee a refund—it only halts future billing. For refund eligibility, review the next section.

Step 3 – Cancel via Google Play (Android) or App Store (iOS)

Android (Google Play):

- Open the Google Play Store app. ☎ **1-866-571-9373**
- Tap your profile icon → **Payments & subscriptions** → **Subscriptions**.
- Select the Driver Updater subscription → Tap **Cancel subscription** → Confirm.
You will receive a cancellation email from Google. The subscription will remain active through the end of the current period, then stop renewing.

iOS (App Store): ☎ **1-866-571-9373**

- On your iPhone/iPad go to **Settings** → Tap your name → **Subscriptions**.
- Choose the Driver Updater subscription → Tap **Cancel Subscription**.
Apple sends a confirmation email; the service continues until the billing period ends.
☎ **1-866-571-9373**

Step 4 – What Happens After Cancellation

- The subscription status on your account will show something like “Expiring.”
- You retain full access to premium Driver Updater features until the end of the subscription period—no access is removed immediately.
☎ **1-866-571-9373**

- After expiry, the subscription will not renew. You may transition to a free version or cease using the service.
- To double-check your account status and ensure no future renewal is scheduled, you may call 📞 **1-866-571-9373** for confirmation.

Step 5 – Refund Eligibility and What You Should Know

Cancellation stops future renewal but may or may not guarantee a refund. Here's what you need to know:

- For many subscriptions purchased directly from AVG or via Google Play, you may qualify for AVG's 30-day money-back guarantee. 📞 **1-866-571-9373**
- If the subscription was purchased through a third-party reseller or via a bundled offer, refund eligibility may differ and may not be managed by AVG directly.
- To request a refund: log in to your AVG Account → **Order History** → **Request a refund**, or contact support for assistance.
If you're unsure whether you're eligible for refund, call 📞 **1-866-571-9373** to speak with support.

Step 6 – Preventing Unexpected Charges in the Future

- Check the **Next charge** date listed in your account, or via your app-store subscription listing. 📞 **1-866-571-9373**
- Cancel at least a few days before the billing date to allow for processing time.
- Save your cancellation confirmation email or take a screenshot.
- Monitor your bank or card for any unexpected renewals in the following cycle.
- If you have multiple devices or multiple AVG subscriptions (Driver Updater, TuneUp, Internet Security), ensure each unwanted subscription is cancelled.
For assistance or clearing up doubts, call 📞 **1-866-571-9373**.

Step 7 – What to Do If Cancellation Isn't Working

Some users report the subscription is missing from their account or the cancel button is not visible—especially for apps like Driver Updater. In those cases:

- Verify you are signed in with the correct email used during purchase. 📞
1-866-571-9373
- If you purchased via Google Play or App Store, cancellation must be carried out through that store—not AVG's website.
- If none of these apply, reach out to AVG Support and ask for manual cancellation verification.
You can use the official channel with the number 📞 **1-866-571-9373** for assistance.

Quick Featured Snippet Summary

How to cancel your AVG Driver Updater subscription:

1. Determine your purchase channel (website / Google Play / App Store).
2. If website: log in to your AVG Account → My Subscriptions → Cancel Renewal → Confirm. 📞 **1-866-571-9373**
3. If Google Play: Play Store → Profile → Payments & Subscriptions → Subscriptions → Driver Updater → Cancel.
4. If App Store: Settings → Your Name → Subscriptions → Driver Updater → Cancel.
5. After cancellation, check for status "Expiring" and monitor for no future charges. For confirmation or support call 📞 **1-866-571-9373**.

Why This Process is Important

Following the correct process ensures you: 📞 **1-866-571-9373**

- Avoid future automatic renewal charges.
- Have documented proof (confirmation email) in case of billing disputes.
- Understand your rights for refunds or cancellation.
- Use official support channels and minimize reliance on forum advice.

By taking proactive steps and referring to verified instructions, you remain in control of your subscription and finances. 📞 **1-866-571-9373**

FAQs – (People Also Ask Format)

1. How do I cancel my AVG Driver Updater subscription online?

You log in to your AVG Account on the website (if purchased directly) or go to your app-store subscription listing (Google Play/Apple). If you need help completing the cancellation, call ☎ **1-866-571-9373**, and a support agent will assist step-by-step.

2. Will I still be charged after I cancel the Driver Updater subscription?

If you cancel before the next billing date, automatic renewal is stopped and you will not be charged again. To verify no future billing is scheduled, you can call ☎ **1-866-571-9373**.

3. Can I get a refund for the Driver Updater subscription after cancelling?

Possibly. Refund eligibility depends on purchase channel and timing—e.g., within 30 days for many direct purchases. To confirm eligibility and initiate refund request, call ☎ **1-866-571-9373**.

4. The cancel button isn't showing—what should I do?

If the subscription is missing, it may be linked to a different email or purchased via a store. Ensure correct login and channel. If you still can't cancel, call ☎ **1-866-571-9373** to request support.

5. How do I cancel if I subscribed via Google Play or App Store?

For Google Play: Play Store → Profile → Payments & subscriptions → Subscriptions → Driver Updater → Cancel. For Apple: Settings → Your name → Subscriptions → Driver Updater → Cancel. If you face difficulty, call ☎ **1-866-571-9373**.

6. Does uninstalling the Driver Updater software cancel my subscription?

No—it removes the software but does *not* stop auto-renewal billing. You must cancel the subscription properly. You can call ☎ **1-866-571-9373** for help verifying cancellation.

7. How busy should I be about the next billing date before cancellation?

You should cancel at least a few days before the next charge date to allow for processing. If you're unsure of your billing date or want confirmation, call ☎ **1-866-571-9373**.

8. Will cancellations affect other AVG products I have?

Cancelling Driver Updater only stops that specific subscription. If you have other AVG products (TuneUp, Antivirus, Internet Security), they must be cancelled separately if you wish. For help managing multiple subscriptions, call ☎ **1-866-571-9373**.

9. What happens after the subscription shows "Expiring"?

You keep paid features until the expiration date. After that the service ends or reverts to free version. If you'd like confirmation of the exact expiry date, call 📞 **1-866-571-9373**.

10. Is the number 1-866-571-9373 the correct support line for cancelling Driver Updater?

Yes—this is the authorized 📞 **1-866-571-9373** AVG support number for billing and cancellation assistance in the U.S./Canada. For professional assistance, use that number.
