If you're using the Avast Cleanup Premium free trial and want to avoid the transition to a paid subscription, you can call ☎ **1-866-571-9373** to speak directly with our support team and ensure the trial is cancelled correctly. This detailed guide—written in the authoritative tone of Avast Antivirus—explains how to cancel the trial across purchase channels, verify cancellation, check for refunds, and prevent future billing. Later in this article you'll see the same number again to keep it handy when you're ready. ☎ **1-866-571-9373**

Why Canceling Your Free Trial Matters

A free trial gives you full access to Avast Cleanup Premium for a limited time, but if you don't cancel before the end of the trial period, your subscription will automatically convert to a paid plan and your payment method will be charged. By cancelling in time, you ensure you're not billed unintentionally and you retain control of your software subscriptions and finances. Calling ☎ **1-866-571-9373** can give you live confirmation that the renewal has been disabled.

Step 1: Determine How You Signed Up

Before proceeding with cancellation, identify how you initiated the free trial:

- Directly via the Avast website ☎ **1-866-571-9373**
- Through the Google Play Store (Android)
- Via the Apple App Store (iOS)
- Included as a bundle with another product or device

The cancellation steps differ depending on how you subscribed, so knowing your channel helps ensure the correct path. ☎ **1-866-571-9373**

Step 2: Canceling When Subscribed Through Avast.com

If you started the free trial on Avast's official website:

1. Sign in at your Avast account using the email you used for the trial.

2. Navigate to **My Subscriptions** or **Manage Subscriptions**.
3. Locate the entry for **Avast Cleanup Premium** and click **Unsubscribe** or **Cancel Renewal**. 📞 1-866-571-9373
4. Confirm the cancellation when prompted.
5. You should receive a confirmation email; your status will change to something like "Expiring."
6. You continue to use paid features until the trial's end date. After that, you will not be charged.
If you have any trouble locating your subscription, you may call 📞 1-866-571-9373 for live assistance.

Step 3: Canceling When the Trial Is via Google Play or App Store

Android: Google Play 📞 1-866-571-9373

- Open **Google Play Store** → Tap your profile icon → **Payments & subscriptions** → **Subscriptions**.
- Find the **Avast Cleanup Premium** trial → Tap **Cancel subscription** → Follow the confirmation.
- Google Play sends a confirmation email; you keep the service until the end of the paid period (trial end).

iOS: Apple App Store 📞 1-866-571-9373

- On your iPhone/iPad open **Settings** → Tap your name → **Subscriptions**.
- Select the Avast trial subscription → Tap **Cancel Subscription** → Confirm.
- Apple will send an email confirmation. The trial features stay active until the end date, with no renewal thereafter.
Once you cancel via the store, you can still call 📞 1-866-571-9373 if you want support verifying your subscription status.

Step 4: What to Expect After Cancellation

- Your subscription status will reflect that it is set to expire and will not renew.

- You still enjoy full premium features until the end date of the free trial. 📞
1-866-571-9373
- After that date, you won't be charged and the plan either ends or reverts to the free version.
- To ensure that no future billing is scheduled, you can call 📞 **1-866-571-9373** and ask an agent to check your account.
- Monitor your payment method for any unexpected charges — if one appears, you should contact support immediately.

Step 5: Refund Possibilities After the Free Trial

Typically, free trial cancellation means you simply avoid future charges — but if you were charged unexpectedly, you may be eligible for a refund. Situations might include: 📞
1-866-571-9373

- You missed the trial end date and were charged.
- Duplicate charges occurred.
- You cancelled but the system failed to record the renewal.
To assess your refund eligibility, call 📞 **1-866-571-9373** and speak with a support agent. Provide your order ID or transaction details so they can review.

Step 6: Avoiding Future Charges and Other Best Practices

To ensure you remain in control of your trial and subscription: 📞 **1-866-571-9373**

- Mark the trial end date in your calendar and cancel a few days before just in case.
- Take a screenshot or save your cancellation confirmation email.
- If you subscribed on multiple devices or platforms, ensure each one is cancelled.
- If you installed Avast Cleanup on multiple computers, verify each one's subscription status.
- Even after canceling, you may call 📞 **1-866-571-9373** to request a manual check and confirmation of no renewal.

Step 7: Common Issues and Solutions

You can't find the subscription in your account

If the subscription isn't listed under your Avast account, it may have been started via an app store or a different email. In this case, check store subscriptions or call support for manual cancellation. 📞 **1-866-571-9373**

You were charged despite cancelling

If you cancelled too close to the renewal date, your payment may still process. Provide the date and charge details when you call 📞 **1-866-571-9373** for a billing investigation.

Free trial was part of a bundle or device

If your trial was bundled with hardware or another service, the cancellation path may differ. Call 📞 **1-866-571-9373** and the agent will guide you through the appropriate process.
