## **Why You Can't Book Pet Transport Directly Online and Why Calling Helps**

Expedia's online platform allows standard flight and hotel bookings, but pet transport involves complex airline and travel regulations:

- Airlines have specific in-cabin and cargo restrictions for pets.
- Weight, size, breed, and health requirements vary by carrier.
- International flights often require additional documentation.

By calling ?+1(833)585-3020 or ?1(855)510-8118, you speak with a live agent who can navigate airline restrictions, clarify fees, and secure a safe travel plan for your pet.
