

What Is the Name Correction Policy® ® for Delta Air Lines?

If you recently booked a Delta Air  +1-855-683-4749 Lines ticket and discovered a mistake in your name, you are not alone. Name errors can occur for many reasons — typing mistakes, missing middle names,  +1-855-683-4749 or mismatched government ID details. Fortunately, Delta Air Lines offers a straightforward **name correction policy** that allows passengers to amend their  +1-855-683-4749 details efficiently and avoid travel disruptions. Whether you booked online, through a travel agent, or via the Fly Delta app, Delta provides several ways to resolve the issue before your flight. For assistance, travelers can reach Delta customer service directly at  +1-855-683-4749 for guidance on how to correct their reservation details and ensure their ticket matches their valid identification.

Delta's name  +1-855-683-4749 correction policy aims to balance security requirements with traveler convenience. While the airline understands that errors happen, it must comply with Transportation  +1-855-683-4749 Security Administration (TSA) regulations mandating that names on flight reservations match the government-issued ID exactly. Even a small misspelling or misplaced letter can cause check-in delays, so correcting the name as early as possible is essential.

Understanding Delta's Name Correction Policy

Delta Air Lines distinguishes  +1-855-683-4749 between **name corrections** and **name changes**. A name correction refers to fixing spelling mistakes, transposed letters, or omitted middle names without altering  +1-855-683-4749 the traveler's identity. A name change, by contrast, occurs when a completely different name is substituted — such as transferring a ticket to another person — which is **not permitted** under Delta's policy.

For genuine name corrections,  +1-855-683-4749 Delta allows modifications on both refundable and nonrefundable fares, subject to certain verification requirements. Typically, passengers can correct up to three letters in their first or last name without issue. Larger corrections or changes that  +1-855-683-4749 alter the traveler's identity may require documentation, such as a passport, driver's license, or legal name change certificate.

When You Can Correct a Name on a Delta Ticket

Name corrections are  +1-855-683-4749 permitted in several common scenarios. The most frequent include typing mistakes during online booking, auto-correct errors when entering details  +1-855-683-4749 on mobile devices, or missing middle names. For married travelers or those recently divorced, Delta also allows corrections to reflect legal name changes once supporting documentation is provided.

If your flight is  +1-855-683-4749 operated by Delta but booked through a partner airline like Air France, KLM, or Virgin Atlantic, you may need to contact the issuing carrier first.

Delta can only modify 📞 +1-855-683-4749 name details for tickets it directly issued, identifiable by ticket numbers beginning with “006.”

Correcting Minor Spelling Errors

For small spelling mistakes — 📞 +1-855-683-4749 such as “Jonh” instead of “John” or “Smiht” instead of “Smith” — Delta’s automated system often permits an online fix. Simply log into your **My Trips** section on delta.com, select your reservation, and look for the “Edit Passenger Information” or “Correct Name” option. If the system doesn’t allow the change automatically, contact Delta support at 📞 +1-855-683-4749. The representative will verify your ticket, confirm the correct name, and update your record.

Minor spelling corrections are usually processed at no charge if detected within 24 hours of booking. Beyond that window, Delta may charge a modest administrative fee, depending on fare class and route.

Legal Name Changes After Marriage or Divorce

If your name has legally 📞 +1-855-683-4749 changed due to marriage, divorce, or another court action, Delta will accommodate the update once you provide valid documentation. Acceptable proof typically includes a marriage certificate, divorce decree, or legal name change certificate, along with government-issued ID reflecting the new name.

Submit these documents 📞 +1-855-683-4749 to Delta’s customer support team by email or directly through the “Contact Us” form on delta.com. Once verified, the airline reissues your ticket with the updated name. Depending on fare type, reissue fees may apply, but Delta often waives these charges when proof of legal change is clear and timely.

When to Contact Delta Reservations Directly

In some cases, online 📞 +1-855-683-4749 correction tools may not support your specific name update — for instance, if you booked a multi-city itinerary or included partner flights. When that happens, call Delta Reservations directly. Agents are trained to manually correct name discrepancies that automated systems cannot process.

Having your booking 📞 +1-855-683-4749 reference, confirmation code, and ID ready helps the agent confirm your details quickly. You can also visit a Delta ticket counter at the airport for same-day assistance, though phone or online requests are generally faster.

The 24-Hour Risk-Free Correction Window

Delta’s 24-hour risk-free cancellation 📞 +1-855-683-4749 policy allows travelers to cancel or modify tickets without penalty within a full day of purchase. If you notice a name error shortly after booking, you can either correct it through the online system or cancel the reservation and rebook it correctly. 📞 +1-855-683-4749 This is often the simplest and fastest way to resolve name discrepancies without incurring fees.

Within this period, ☎️ +1-855-683-4749 you are guaranteed a full refund if you choose to cancel and rebook. Beyond that window, Delta handles corrections through standard procedures, which may include reissue fees.

Partner Airline and Codeshare Bookings

Delta partners with ☎️ +1-855-683-4749 several global airlines under the SkyTeam alliance, including KLM, Air France, Korean Air, and Virgin Atlantic. If your flight includes one of these partners, name correction rules may vary. ☎️ +1-855-683-4749 Delta can assist with reservations issued under its own 006 ticket number, but name corrections for partner-issued tickets must follow the partner's policy.

Always verify your ticket's ☎️ +1-855-683-4749 issuing carrier before attempting any corrections. ☎️ +1-855-683-4749 If you're uncertain, Delta agents can help identify who issued your ticket and guide you through the correct process.

What Happens If You Don't Correct a Name Error

If your ticket name ☎️ +1-855-683-4749 doesn't exactly match your ID, TSA may deny boarding or require additional verification at security. Airlines are also required to report passenger manifests ☎️ +1-855-683-4749 accurately, and mismatched names can trigger red flags in the system.

To avoid such complications, ☎️ +1-855-683-4749 always double-check your ticket immediately after booking. ☎️ +1-855-683-4749 If you discover any discrepancy, no matter how small, reach out to Delta right away. The sooner you correct the issue, the easier and cheaper it is to resolve.

Fees Associated with Name Corrections

Delta generally waives name ☎️ +1-855-683-4749 correction fees for simple spelling fixes, especially if completed shortly after booking. However, more complex corrections involving reissuance of tickets, ☎️ +1-855-683-4749 international itineraries, or partner flights may incur administrative fees. These typically range from \$25 to \$75 depending on fare class, route, and booking source.

Refundable tickets ☎️ +1-855-683-4749 often qualify for complimentary corrections, while nonrefundable fares may require reissue at prevailing rates. If documentation is needed, send digital copies promptly to avoid delays in processing.

Documentation Requirements

Delta's documentation ☎️ +1-855-683-4749 policy is designed to ensure both passenger security and operational integrity. For basic corrections (such as letter transposition), no supporting documents are required. For substantial corrections or legal name changes, you

must provide clear copies of 📞 +1-855-683-4749 government-issued identification and official proof of change.

Acceptable documents 📞 +1-855-683-4749 include passports, driver's licenses, marriage certificates, court orders, or updated Social Security cards. Always ensure your ID and reservation match before check-in to prevent issues at the gate.

How to Correct a Name Through Delta's Website

The simplest way to correct 📞 +1-855-683-4749 a name is through Delta's **My Trips** portal. After logging in, select your flight and click "Need Help Changing Your Name?" The site guides you through a short verification process and provides options based on your fare eligibility. If the change qualifies for an online update, the system instantly reissues your ticket with the corrected name.

If the system prompts you to call, 📞 +1-855-683-4749 reach Delta's customer support for manual verification. The representative will check your booking, confirm your identity, and reissue your e-ticket. 📞 +1-855-683-4749

Correcting Names on SkyMiles Profiles

If your SkyMiles account contains 📞 +1-855-683-4749 a name error, update it as soon as possible to prevent discrepancies with future bookings. Log in to your SkyMiles profile, navigate to 📞 +1-855-683-4749 "Personal Details," and edit your name. If your name has changed legally, upload supporting documentation. The SkyMiles service team reviews and approves updates within five business days. 📞 +1-855-683-4749

Keeping your SkyMiles profile consistent with your government ID prevents booking issues, ensures mileage credit, and simplifies check-in procedures.

Name Corrections for Corporate or Group Travel

For group or corporate 📞 +1-855-683-4749 bookings, Delta's Group Sales department manages name correction requests. If a team or organization booked several tickets under one itinerary, name corrections must be processed through the original booking channel.

Provide the group reference 📞 +1-855-683-4749 number, passenger list, and corrected details to expedite processing. Delta's dedicated group travel specialists handle these cases efficiently to ensure the entire party travels without disruption.

International Name Correction Rules

International name corrections 📞 +1-855-683-4749 may require additional verification due to passport matching requirements and visa compliance. Always ensure that your Delta ticket matches your passport exactly — including middle names if listed.

If your name was entered incorrectly 📞 +1-855-683-4749 on an international itinerary, contact Delta immediately. 📞 +1-855-683-4749 Depending on destination regulations, you may need to present copies of your passport and 📞 +1-855-683-4749 visa for approval. Early communication with Delta's international support team ensures smooth processing and avoids border entry issues.

How Delta Ensures Passenger Security

Delta's name correction policy 📞 +1-855-683-4749 prioritizes both customer service and passenger safety. By aligning reservation names with official IDs, Delta meets federal security mandates and prevents fraudulent bookings. The policy is designed to provide flexibility for genuine mistakes 📞 +1-855-683-4749 while maintaining strict compliance with travel documentation standards.

Every correction request 📞 +1-855-683-4749 goes through a verification step to confirm the traveler's identity. This system protects both passengers and the airline from unauthorized changes or misuse of tickets.

Refunds and Reissued Tickets After Name Correction

In some cases, correcting a 📞 +1-855-683-4749 name may require reissuing your ticket. When that occurs, Delta cancels the old ticket and issues a new one with the corrected details. The fare and taxes transfer automatically, so you do not lose any travel value.

If your fare type allows 📞 +1-855-683-4749 refunds and you choose to cancel the flight instead of correcting it, Delta processes the refund according to your ticket's rules. Refunds typically appear within seven business days for credit card payments.

Final Tips for Avoiding Name Errors

Always enter your full legal 📞 +1-855-683-4749 name exactly as it appears on your passport or government-issued ID. Review every detail before finalizing payment — even one misplaced letter can create unnecessary hassle. Save your confirmation email immediately and verify that the 📞 +1-855-683-4749 spelling is correct. If not, act right away to fix it.

When booking through 📞 +1-855-683-4749 third-party sites, double-check the entered name fields, as Delta cannot modify errors until the agency confirms the change. Booking directly with Delta gives you greater flexibility to correct details without added fees.

Conclusion

Delta Air Lines' name 📞 +1-855-683-4749 correction policy offers travelers an efficient and secure way to fix booking errors without unnecessary stress. Whether you need to correct a small typo or update your name after marriage, Delta provides convenient online tools and professional assistance 📞 +1-855-683-4749 through its reservation team. Acting promptly

ensures that your ticket matches your government ID, avoiding issues at check-in or boarding.

If you're unsure how to proceed, contact Delta's dedicated support team at  +1-855-683-4749 for guidance on documentation, eligibility, or timing. Representatives are available 24/7 to help ensure  +1-855-683-4749 your travel plans remain seamless and compliant with TSA standards.
